Tuesday, July 18, 2017
Lakeview Presbyterian Church
[Google Maps: 5914 Canal Blvd](#)
7:30pm

Program:

Orchid Growing Basics
Larry Hennessey 7:30pm

Orchid Basics Group Program:

TBD 6:45pm

From your Pres:

Now that our show and the Baton Rouge show are done after much hard work, we can now relax a little and just enjoy our blooms. Just be careful of the summer heat!

Thanks go out to Ian Hiler, Ann Roth, Ed & Ethel Suberville, Carol & Arne Stauder, and myself for setting up our exhibit at the Baton Rouge Show. Also, thanks to Carol & Arne Stauder for collecting the plants and the names for registration in the show and all those who contributed plants for the show. Also, thanks to Ian Hiler (his wife and a friend), Molly Prokop, Pat Herbert, Larry Hennessey, Ann Roth, and myself for breaking down our exhibit. If I missed anyone, I am truly sorry, just let me know. See our show results later in this newsletter.

Repeating from last year for your consideration:

The Society would greatly benefit from more participation of the membership to help set up and break down exhibits. Any of you who might be interested in learning how to set up an exhibit please just volunteer to help and ask any questions you have. Never be timid when trying to learn! We also need help with serving the refreshments during our meeting breaks if you would like to help there. Just let me know, or just head to the kitchen and ask for something to do. I would also like to see a program on plant registration given to the entire membership so that they better understand the process which must take place for all plants that are entered in a show. If several of us would bring a blooming plant, or we could use those brought for the small show, and look at the process it takes to put the plant in the proper class. I believe this would benefit everyone. If anyone has any suggestions for programs, please speak up.

May your plants stay as cool as possible (and you, too) in this heat, your spikes grow strong and sturdy, and your flowers last a long time! Don't forget to tell them how beautiful they are.

Happy growing,

Russel Deroche, Jr.

Upcoming Orchid Shows & Events

Houston Orchid Society 38th Summer Workshop

August 4 - 5, 2017
University of St. Thomas
Anderson Building
3950 Yoakum Blvd., Houston, TX.

AOS Webinars

Baton Rouge Orchid Society Show Results

Ian Hiler did another outstanding job putting the exhibit together. He had a number of helpers this year. Congrats to all who contributed plants for the exhibit. Special congratulations go to Ian as his *Dimorphorchis lowii* won the best flower SWROGA Show Trophy and it was recognized for an AOS HCC award. The plants in the exhibit garnered 19 ribbons (7 Blue, 6 Red, 6 White) and 3 trophies. See the next page for the full list of ribbon winners.

NOOS Exhibit Results from Baton Rouge Orchid Society Show

Exhibitors	Name	Ribbons/Trophies/Awards
