Refreshment Committee

For several years, I have listened to you concerning allergies, health problems, and food “likes and dislikes.” I am going to try and organize our refreshments so that everyone can enjoy a little snack while socializing without being concerned about health issues. You will note my request will include something for those with diabetes, hypertension, and allergies.

At the November meeting, I will pass around a sign up sheet for January thru June of next year and hope that you will consider signing up to bring something occasionally. You do not have to feel obligated to bring homemade items (although homemade is always appreciated). I believe we will need 3 regular size round cakes or 3 9x13 sheet cakes. Two of the cakes should be chocolate and one cake should be any other flavor (absolutely no chocolate even in the decoration). Also, we could use some crackers and cheese (or a spread). I will take fruit also. Anna Maria has offered to bring drinks. Thank you Anna Maria.

I have had only one request for coffee. Sorry, I do not make coffee, not even for my hubby, but if someone wants to volunteer to bring coffee (everything need to make it), make it, clean up after, I certainly will not mind. Trust me, you would not want me to make coffee.

We have enough paper plates, napkins, and forks to last for months, so we will not be requesting supplies.

Ann Mathias has kindly offered to assist me set

up and clean up. Thank you Ann.

I know all of us want to say another big
THANK YOU to MAX for bringing and serving
those delicious cakes for all of these years
(apparently long than I have been in the society).
Max, it will take the whole society working
together to do as good a job as you did all by
yourself.
