SHOW Wrap-up

A big congratulations to all who contributed to another big success. Randy Johnson did an outstanding job as show chairperson. If you didn't hear of any problems that is because Randy was there to take care of everything to ensure the show ran smoothly. But none of that would have been possible without the countless volunteers who stepped up and helped.

And congratulations to exhibit chair Marian Prigmore on another outstanding exhibit. Not only did the exhibit with the AOS show trophy but it was also awarded an American Orchid Society Silver Certificate of 85 points. The beautiful exhibit was almost too much to take in. Here is the description by the AOS judges:

“A massive, seven-tiered society exhibit, 75 square ft. (seven square m.), enclosed and bordered by foliage plants including a *Calathea*, plus bromeliads, ferns, gingers and a *Strelitzia*; the color flow swept from purple and pink through a striking yellow *Oncidium Tropical Breeze* into bronzes and reds on the left, interspersed with flashes of white like *Rl. digbyana* and *Phalaenopsis Sogo Yukidian*; many genera represented by immaculate, impressive specimens, such as *Epidendrum radicans*; the black backdrop included subtle grey panels”.

Of course, none of this would have been possible without the 73 show quality orchids from the membership. The plants won 46 ribbons, 5 trophies and one plant won a AOS quality award. Congrats to Carol Stauder on her new award AM/AOS of 81 points to Paph Vanda M Pearman. As usual, Carol demonstrated her talent as an orchid growing with three inflorescence on a first bloom seedling.

Paph. Vanda M Pearman 'Freckles'
AM/AOS 81 pts

Special note to those who clerked:

I will miss the June NOOS meeting, but wish to thank all of the hardworking clerks who participated in the show.

We had a number of new members who are now 'experienced' and of course those who have done it for years and always do a great job. I appreciate you!

Molly Prokop,

Head clerk

2019 NOOS Show

- Show chair Randy Johnson stated that the 2019 NOOS Show will held at Lakeside Mall from May 31 through June 2.
- If you wish to exhibit plants in the show, you must send an email to Carol Stauder giving the names and parents of the plants, a brief description of the flower color and appearance and the size of the flowers, to the centimeter or ¼ inch. Please email this to Carol as soon as possible but no later than the Wednesday afternoon before the show. Plants must be brought to Lakeside Mall by 10:00 a.m. on the Thursday before the show. Marian Prigmore is in charge of setting up the exhibit. Set up will occur on Thursday morning and volunteers are welcome. Our exhibit will have a jungle theme. If you can provide greenery or other jungle-related décor to add to the exhibit, please bring it to the Mall.
- We still need volunteers to staff the raffle table on Friday evening.
- Show clerks are treated to breakfast at Café du Monde at around 7:30 a.m., the Saturday of the Show. They are also treated to lunch at Mr. Ed's.
- Sara Duarte is the trophy chair this year. We are giving live plants as trophies and can use additional donations of money to purchase these plants.
