2022 Dues were due January 1

Dues were due January 1, 2022. Please plan on bringing a check to the meeting. Otherwise you will need to send a check to the society's P.O. Box, so the secretary can have you current with your dues for 2022. It makes the secretary's job a lot easier if they don't have to remind people to pay their dues month after month as the new year starts.
